Museum of Coastal Carolina and Ingram Planetarium Seek Volunteers

Ocean Isle Beach, NC – The Ocean Isle Museum Foundation, Inc. is seeking volunteers to work at the Museum of Coastal Carolina in Ocean Isle Beach and Ingram Planetarium in Sunset Beach. During the busy summer season, both facilities are open six days a week. Volunteers work in 3 ½ hour shifts and can sign up to work at the front desk, the gift shop, or (museum only) the touch tank. This is a great opportunity for newcomers to the area to meet and interact with people who share their love of the beach, marine animals, ecology, and the infinite wonder of the universe.

All volunteers receive training from staff members. There is always a staff member on duty to assist volunteers if help is needed. Flexible hours, interesting coworkers, and interacting with the public make volunteering an appealing opportunity.

Individuals interested in volunteer opportunities can call Volunteer Coordinator Joyce Houle at 910-579-1016 or email her at vol.cord@museumplanetarium.org.

The Museum of Coastal Carolina is located at 21 East Second Street, Ocean Isle Beach, NC. Ingram Planetarium is located at 7625 High Market Street, Sunset Beach, NC. Both facilities are currently open on Friday and Saturday. Beginning May 27, both facilities will be open six days a week through Labor Day.
